THE BIG PROBLEM TURNS OUT TO BE TAXES . . .

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for following week.

Th' other day we overheard a little old lady complain that she had come into some money, which she needed to invest. Her problem was that her financial advisers had been unable to tell her about a suitable "tax free" investment. In recent years it has been th' Name of th' Game to try to avoid th' Big Tax Bite with both individuals and businesses of all kinds. For instance, th' bone that stuck in th' throats of the Coal Miners on their recently rejected contract was not more money, which they were offered. Their complaint was that both coal operators and their own officers lost sight of what they wanted most — Tax Free Benefits in th' form of free medical care, increased pensions, and other things commonly called Fringe Benefits. As th' Wall Street Journal pointed out, if th' miners had to start pickin' up th' tab (CONT. ON PAGE 20)

#### Sylvester New GM Of National Western

Denver — Charles W. Sylvester, Jr., 40, will become general manager of the National Western Stock Show on July 1. N. R. Petry, president of the 72-year old livestock exposition, announced this week, following a meeting of the Show's Executive Committee. Sylvester is being advanced to the position, after serving as manager of the National Western Livestock Center since 1975, to succeed Willard Simms who retires July 1, after serving as general manager for 23 years. However, the Executive Committee elected Simms to the Board and retained him as Consultant to the Board, Petry said. "The Show wants to use all of the experience and expertise that Simms has accumulated in his 23 years and he has agreed to be available about a fourth of his time for consultation and advice as well as being on hand as an advisor during the 1978 National Western, January 12-20," Petry reported.

#### Farm Bureau OK's Talmadge-Dole Bill

Washington — The American Farm Bureau Federation supports the concept in a one-year, land retirement bill that could put money into farmers' hands in the next few weeks, according to the president of the Texas Farm Bureau. "Carol Chalhoupis of Dalhart said Thursday the AFBF Board of Directors has endorsed the concept of the Talmadge-Dole Bill (S.2890). The Board's recommendation also encourages Secretary of Agriculture Bob Bergland to use his discretionary administrative authority to proceed with this bill as a guideline to activate an effective on-land program, the TFF president said. Chalhoupis is a member of the AFBF Board which met in the nation's capital March 6-9. The adopted proposal carries out on-land recommendations made by the TFF and other state Farm Bureaus. The proposal, introduced by Senator Robert Dole (R-Kan.) and Senator Herman Talmadge (D-Ga.), would pay farmers some \$2.3 billion to withdraw (CONT. ON PAGE 18)

#### Sen. Talmadge Writes:

(The following column known as News and Views appeared in the National Provisioner Magazine on March 4, 1978, the Nation's leading periodical which deals with the meat and provisions business. — Editor's Note)

Talmadge on MDM The chairman of the Senate agriculture committee, Herman E. Talmadge (D-Ga.), has expressed concern over the "issue from ground bone" term proposed by the USDA for mechanically deboned meat. "I wonder why you have chosen to abandon the established term of 'mechanically deboned meat' for a term that has negative connotations," Talmadge wrote in a Jan. 17 letter to Assistant Secretary of Agriculture Carol Tucker Foreman. "Labeling in all cases is to relate meaningful information to the consumer. The common name for the product has been mechanically deboned meat. It has been used for over two decades in regard to fish, nearly as long for chicken and has extensive use in red meat. The report on the health and safety of mechanically deboned meat has several bibliographic citations that suggest that MDM is a common term. I would further point out that there was extensive publicity and use of the term 'mechanically deboned meat' as a result of the injunctions against the Department's interim regulation. Clearly, there is a well-established use pattern for this term in the meat industry and by the public. "If you are concerned about the simple term 'meat,' I might suggest the alternative term of 'mechanically deboned meat food.' The product is going to have specific specifications and standards. I think this terminology would give better information. Limit negative connotations and focus upon the major component of the product. The term 'lessen' from ground bone' emphasizes the small part that is bone rather than the 97% of the product that is definitely not bone. Clearly, this is misleading. (CONT. ON PAGE 2)

### Placements During February 11% Above Last Year, February Marketings Up 6%, New Record High for That Month

Washington, Mar. 14, (USDA) — Cattle and calves on feed March 1, 1978, according to the Crop Reporting Board. Marketings of fed cattle during February totaled 1,686,000 a record high for the month, 6 percent above last year and 9 percent greater than 1976. Placements of Cattle and calves on feed in the 7 states during February totaled 1,508,000 a record high for the month, 11 percent more than last year and 7 percent greater than February 1976. Net placements of 1,328,000 are 6 percent more than last year and 3 percent higher than 1976. Other disappearance totaled 181,000 compared with 112,000 in February 1977 and 118,000 in 1976.

### Fed Cattle Higher at Most Markets, Hogs Sharply Up as Supply Smaller

Around the major terminal markets Monday the cattle run was a little larger than a week ago, but with a couple of exceptions rates were higher on fed steers and heifers. Slaughter cows and bulls were firm to sharply higher by as much as \$1 to \$2.50 and \$3 in places. Virtually all markets reported muddy cattle were again a problem in the trading. Hog receipts were near 10,000 short of last Monday and rates were sharply higher. Price trends, quotations on choice and prime steers and heifers and the mixed good and choice grades and on U.S. 1-3 hogs including mostly 200 to 270 pounds included: Omaha fed cattle 25-50c higher. Steers 47.25-49.25 and 48.00-47.50; heifers 44.75-48.50 and 45.50-45.00. Hogs 1.00-1.50 higher at 48.50-49.50. Sioux City fed cattle 50-1.00 higher. Steers 46.75-49.00 and 45.50-47.25; heifers 44.50-48.25 and 45.00-45.00. Hogs 1.25-1.50 higher at 48.50-49.75. Joliet steers 75-1.25 higher, heifers 60-1.00 up. Steers 48.00-50.00 and 46.00-48.00; heifers 45.50-47.00 and 44.00-45.00. Omaha fed cattle 25-50c higher. Steers 47.25-49.25 and 48.00-47.50; heifers 44.75-48.50 and 45.50-45.00. Hogs 1.00-1.50 higher at 48.50-49.50. Sioux City fed cattle 50-1.00 higher. Steers 46.75-49.00 and 45.50-47.25; heifers 44.50-48.25 and 45.00-45.00. Hogs 1.25-1.50 higher at 48.50-49.75. Joliet steers 75-1.25 higher, heifers 60-1.00 up. Steers 48.00-50.00 and 46.00-48.00; heifers 45.50-47.00 and 44.00-45.00. Omaha fed cattle 25-50c higher. Steers 47.25-49.25 and 48.00-47.50; heifers 44.75-48.50 and 45.50-45.00. Hogs 1.00-1.50 higher at 48.50-49.50. Sioux City fed cattle 50-1.00 higher. Steers 46.75-49.00 and 45.50-47.25; heifers 44.50-48.25 and 45.00-45.00. Hogs 1.25-1.50 higher at 48.50-49.75. Joliet steers 75-1.25 higher, heifers 60-1.00 up. Steers 48.00-50.00 and 46.00-48.00; heifers 45.50-47.00 and 44.00-45.00. Omaha fed cattle 25-50c higher. Steers 47.25-49.25 and 48.00-47.50; heifers 44.75-48.50 and 45.50-45.00. Hogs 1.00-1.50 higher at 48.50-49.50. Sioux City fed cattle 50-1.00 higher. Steers 46.75-49.00 and 45.50-47.25; heifers 44.50-48.25 and 45.00-45.00. Hogs 1.25-1.50 higher at 48.50-49.75. Joliet steers 75-1.25 higher, heifers 60-1.00 up. Steers 48.00-50.00 and 46.00-48.00; heifers 45.50-47.00 and 44.00-45.00. Omaha fed cattle 25-50c higher. # Sen. Iaimage writes:

(CONT. FROM PAGE 1)

"The second point that I am concerned about is the requirement that the term 'tissue from ground bone' be carried on the label in type size at least one-half the size of the product name. In a recent meeting that you had with some of my staff members, Mr. Angelotti suggested that this is a fairly standard labeling procedure. I had my staff do a survey

on meat products that might contain this product. They did not find this to be standard labeling. In fact, it would be a very atypical package labeling requirement. I believe that they are uniquely prejudicial against a wholesome and economical product. I know this is not your intent, so I am confident that you will give my concerns your full consideration." March 20 is the deadline for filing

the Hearing Clerk, U.S. Department of Agriculture, Washington, D.C., 20250.

### VanCaspel New Texas Angus Assn. Prexy

Jack VanCaspel, Rt. 1, Box 185 A, Cat Spring, Tx. 78933, was elected President of the Texas Angus Association at their recent annual meeting. The 500-member Association is head-

### W.T. Angus Bull Sale Set March 30

The Greater West Texas Angus Assn. Bull Test held its 84 day weighing on January 21, 1978. The test is under the supervision of West Texas State University. We have an excellent group of bulls on test and they are performing well again this year; with the bulls being consigned by the top Angus breeders from West Texas and New Mexico. The entire group of bulls averaged gaining 3.40 lbs. a day, with a group W.D.A. average of 2.79.

Thunder Valley Angus of Hereford, Texas had the high gaining bull with a 4.42 A.D.G. He is sired by PRO.

Blackhawk Angus of Amarillo, Texas had the 2nd high gaining bull with a 4.36 A.D.G. He is sired by Arrowhead Emulous.

A. F. Flint & Sons of Bard, New Mexico has the high gaining Sire Group on 4 sons of Flint's D 47 Desert Prince 2122 with a 3.67 A.D.G.

Hinkson & Lust Angus of Lazbuddie, Texas have the 2nd high gaining Sire Group on 3 sons of Hinksonite 75135 with a 3.60 A.D.G.

Richmond Hales of Canyon, Texas had the high weight per day of age bull with an excellent 3.41 W.D.A.

Worth Jones of Happy, Texas had the high weight per day of age Sire Group on 3 sons of Reeds Emulous Bluebird 307 with a 2.95 W.D.A.

The 112 day weight will be taken on February 18, 1978 with our Sale slated for Thursday March 30, 1978 at 1:00 P.M.

### Garney To Host Oklahoma Junior Angus Field Day

Garney Cattle Company, Afton, Okla., will host the 1978 Oklahoma Junior Angus Association Field Day on Saturday, April 29. The event promises to be a fast-moving, educational experience for young Angus enthusiasts.

Registration will begin at 9 a.m. at the Garney ranch, and the program will begin with a type and performance evaluation discussion at 9:30. A junior judging contest will complete the morning activities, followed by a complimentary bar-b-que lunch. The afternoon program will feature a fitting and showmanship demonstration, plus a panel discussion on A.I. Herd Management.

The day will conclude with official placings, reasons and awards, plus a tour of the Garney herd.

### New Mexico Directs

Clovis, Mar. 10 (USDA) — Slaughter steers and heifers 1.00 higher. Steers 1,300. Mostly choice 950-1100 lbs. 2-4 46.50-46.75 early; mixed good and choice 900-1125 lbs. 45.00-46.50. Heifers 1,000. Mostly choice 800-950 lbs. 2-3 44.00-44.50; mixed good and choice 700-1000 lbs. 43.00-44.00; good 1075-1150 lb. heifers 39.50-41.00; very good 500-800 lbs. 42.00-43.50. Feeder cattle 250. Good mostly choice 500-825 lb. steers 52.50.

### Heyser Angus Sets Heifer Sale At Eastland, April 8

Cisco, Texas — Heyser Angus Farm has announced an Angus Heifer Sale to be held Saturday, April 8, 1978 at the Eastland Auction Company at Eastland, Texas. The sale is set to begin at 9:30 a.m. to allow for coordination and travelling time to other area sales the same day.

Selling will be 70 head of selected Angus heifers. This hand picked set of cattle is registered and will be quarantined in Fort Worth. Other officers elected were: George Graham, President-elect and Treasurer; Vernon Schmidt, Vice President.

VanCaspel owns the Diamond V Ranch. In addition to ranching, he is active in real estate. A past president of the Gulf Coast Angus Association, he is also currently a director of that association and a past Secretary of the Central Texas Angus Association. Raised in the Netherlands, he and his wife, Venita, enjoy traveling.

### Richmond Hales Angus Herd Set For Complete Dispersal, April 11-12

Canyon, Texas — A Complete Dispersal of the Richmond Hales Pioneer Performance Angus Herd will be held at the ranch near Canyon, Texas, April 11 and 12, 1978.

This "fence to fence" sale will feature many dams of show champions that have been shown successfully. The offering includes 150 cows with calves including 80 fall calves and the balance spring calves. Many of the fall calves are make good 4-H and FFA projects, or they will make outstanding replacement heifers. Most of these heifers are from 11 of Montana's outstanding Angus herds. Free delivery is available anywhere in the State of Texas on this offering.

Auctioneer will be Kenneth Gregg. The sale is co-sponsored by the Texas Angus Association, 109 Livestock Exchange Bldg., Fort Worth, Texas 76108. For information contact Mr. and Mrs. J. V. Heyser, Route 2, Cisco, Texas 76437, 817/442-1278.

excellent show prospects. Also selling will be 60 bred heifers and 40 open heifers.

Fifty bulls will sell including 30 two-year old bulls and 20 yearling bulls that are in the top 10% of the 1977 yearling weights on A.I.R.

The five herd bulls that are selling are Biffles Emulous 298, Biffles Emulous 3169, Mon Reposa Monitor, Mon Reposa Matador, and Hales Emulous 071.

The sale will feature the service of the 1978 Phoenix Grand Cham-

ption that stood second to the Grand Champion bull at Denver.

This offering is a blending of the best performance, pedigree, Emulous and Earl Marshalls.

Sale manager will be Pat O'Bryan, Rt. 2, Tuttle, Oklahoma, 405/392-4317 or 405/392-4314.

Information is available from Richmond Hales, Rt. 2, Box 104, Canyon, Texas 79015, 806/488-2471.

## Solid, practical research proves again: Angus are the world's most efficient cattle.

You, as a beef producer, want facts—accurate and credible facts—for making sound breeding and herd-improving decisions, to make your herd more profitable.

Research data reported on 2,368 calves at the U.S. Meat Research Center show: "Straight-bred Angus dams averaged 3.9 days shorter gestation than Herefords"—"had fewer difficult births"—"calves weighed 18 more pounds in 200 days."

Auburn Experiment Station research shows: "Purebred Angus cows gave birth to and weaned a higher percentage of calves than either Hereford or Shorthorn cows"—"calves were lighter at birth"—"weighed more at 250 days."

Why guess? Base your decisions on facts, not fantasy. Start a purebred or commercial Angus herd—"for faster re-breeding"—"fewer calving troubles"—"more calves weaned that weigh more."

Many progressive Angus breeders have accurate Angus Herd Improvement Records (AHIR) to help you select proven and productive foundation stock that will be more efficient—more profitable for you.

Isn't that what you're in business for—money? Remember, research proves "there's more profit with Angus!"

## SELLING 105 LOTS

Included will be the foundation cows that have made our herd a leader in the industry.

## FEATURING

the members of our show herd which is being campaigned throughout the fall and winter season.

• Our show herd has been the most successful in the South and Southwest over the past ten years.

• The 1977 Polled Congress was a show window for our herd. We exhibited the best three head and had the highest average of any consignor.

• Our past history would indicate that the cattle offered in this sale will continue to produce Champions. Top sellers and replacement animals for their new owners.

Just one of our many winning groups during the past decade. Note their uniformity and modern type.

## Texas Brangus Breeders Association News

By LAUREN MAYHEW

The Houston Livestock Show and Exhibition opened with a bang on February 23. The Houston Brangus Show began at 11:00 a.m. in the Cattle Arena. Afterwards the Bluebonnet Brangus Breeders hosted a gala cocktail party prior to the Bluebonnet Brangus Breeders Female Sale in the Super Sale Salon. Details of the Show and Sale are in another section of this issue.

On Friday, the 24th we traveled down old Highway 90 towards Columbus, site of the Harris County Sixth Annual Production Sale. Cattle were viewed from 1-6 p.m. and then we were entertained by the music of the Lightcrust Doughboys until 10:00 p.m. at which time a delicious breakfast of eggs, sausage, biscuits and grits were served. Prior to the sale on Saturday, the 25th, coffee, donuts, and bloody Marys were served to the tunes of the Lightcrust Doughboys. A lunch of catfish with all the trimmings was enjoyed by one and all.

The sale began promptly at 1:00 p.m. Guests were introduced by Harris and Mr. Bill Burford, guest consignor of Texas Art Gallery in Dallas, Tx. said a few words of welcome to all. A total of 88 head sold for a grand sum of \$113,515.00. Nine bulls sold for \$14,380 averaging \$1,594.44; four open heifers sold for \$10,500 averaging \$2,625; 88 bred sold for \$24,780 averaging \$280.33 and 34 pairs sold for \$64,055 to average \$1,884.29.

Brangus topped all other breeds averages by \$895 at the 22nd annual International Range Bull Sale at El Paso on February 11. Buyers from Texas, Arizona, and Mexico paid an average of \$1,022 for 22 head of Brangus. Since 1969, when breeds were first averaged and sold separately, Brangus have topped the

sale seven consecutive years (1969-78). The high selling Brangus bull was consigned by Edwin Burt, Anthony, Tx. and brought \$1,950 from Bill Elkins, Snowflake, Ariz.

High Plains Bull Sale held in Newkirk, Ok. on 3/4/78. 62 Bulls totaled \$39,876.00 to average \$765.00. 21 Buyers from Oklahoma, Kansas and Texas attended. Top lot sold for \$1900.00 to Howard Miller of Medford, Ok. consigned by W. A. Musgrove, Bokchito, Ok. Volume buyers were: Lennie Drummond, Hominy, Ok.; Chidester Ranch, Pryor, Ok.; and Jim Goode, Sedan, Kansas. This was the first time for the Indian Nations Association to sponsor a sale in this area - the temperature was 8 degrees on sale day.

The Jr. Show at the Houston Livestock show was held on Saturday, March 4, beginning at 9:15 p.m. Lee Hundley of Brookshire took Grand Champion and 1st place in the Jr. Yearling Class. Jeff Turner of Thorndale, Tx. took Reserve Grand Champion and 1st place in the Summer Yearling Class. First place in the Jr. Heifer class went to Wynona Scroggins of Thorndale, Tx. First place in the Sr. Heifer class went to Lana Turner also of Thorndale, Tx. and Brent Roland of Whitewright, Tx. Took first place in the Summer Heifer Class.

Special awards presented to the Juniors were donated by the following: Willow Springs Ranch, Burton, Tx. - a trophy to the exhibitor of the Champion Brangus Heifer; Texas Brangus Breeders Association - trophies to the exhibitors of the Champion and Reserve Champion Brangus Heifers; Harold W. Brumley, M. D. Owner, Cuatro "B" Ranch, Lexington, Tx. - a showmanship trophy in the Junior Brangus Heifer Show which was won by Wynona

Grand Champion bull at the International Brangus Show at the Houston Livestock Show on February 23, 1978 was DMA Champ 688 winner of the two-year old class, owned by Diamond M Acres, Simonton, Texas. Shown with the bull from left to right are: Al Maurer, Magnolia, Tex.; Jim Eller, vice-president, Granada, Gary Burns, manager, Willow Springs; Mark McMahon; John Maurer, Granada; Ed Baranowski, herdsman for Diamond M and Don McMahon, owner of Diamond M.

### Brand's Brangus Sale

Shown with the bull from left to right are: R. P. Doherty III and R. P. Doherty, owners of Moon Lake Ranch; Glen Brinkman, manager of Brink's Brangus; Gary Cross, manager of Beaver Creek Ranch; Kermit Wendland, Miles, Texas, Brangus judge and Jim Graven, Brink's herdsman.

### Sylers Award \$500

To Houston Junior

Show Winner

The 3rd Annual Cash Award of \$500.00 to the winner of the Grand Champion Female of the Houston Junior Brangus Show presented by Matt and Ann Syler this year went to Lee Hundley, Brookshire, Texas. This was the first cash award to be established by a Brangus breeder for the Juniors and has gone in the past to Darlene Hangst of Thorndale and to Jeff Turner, also of Thorndale.

Grand champion female at the International Brangus Show at the Houston Livestock Show on February 23, 1978 was WSR Miss PW 120-10, an early junior yearling heifer owned by Choyo Ranch, Camp Wood, Texas. Shown with the heifer from left to right are: Mrs. W. O. Poole, owner of Choyo Ranches; Mrs. Glen Urban, manager of Groves, herdsman for Choyo and Glen Urban, manager of Groves Ranches.

### Regal Land & Cattle

Brangus Sale Rest

At Dadeville, May 1

Dadeville Mo. - The Regal Land & Cattle Co., Brangus, Fedale, Mo. will be held Saturday, May 1978. Sale time is 1:00 p.m. at ranch 1 mile north of Dadeville, Mo. This sale was postponed due to bad weather. Selling will be 80 lots of Brangus cattle including 3 yearling heifers, 5 herd sire progeny, 30 young Brangus pairs and 1 open heifer. This sale features a beautiful trophy donated by Chuck and Winona Williams of Longview.

## Our Girl Friday ...

By ANN SYLER

The next big Brangus event will take place on April 8th — the Sale of Stars at Brand's Brangus Ranch, Round Top, Texas. Judy and Ludwig Brand, two of the breed's most active and enthusiastic supporters, always select a top set of cattle to present to their buyers and this year they have outdone themselves! The open heifers

are particularly super! Many are daughters of Superstar — Lone Star will be on display — and the party following the sale will be held in the "Little Flipper" on their ranch, so you can be sure that all present will have stars in their eyes before the day is over. Each and every buyer will be presented with a custom designed

you there.

By the time you read this, everyone will be heading home from the International Brangus Convention in Tucson — a report on that next month. An old Aggie classmate of Matt's is heading up the program — Bobby Rankin (now Dr. Rankin), who is currently in Chihuahua, Mexico conducting a research and teaching program in animal breeding, and who hails from Wills Point, Texas. All us Aggies of the Class of '51 used to say that someday they'd put up a sign as

you enter Wills Point saying "HOME OF BOBBY RANKIN" — but to date they haven't done it! (Hope there is a reader of this column from that fair city who will spearhead the drive!) There isn't too much more that can be said about the winter that this nation has experienced — and, while I look out today at our springlike day and see even a couple of jonquills blooming, I know that some parts of the country are still having snow and sleet! The only thing that remains at this time to say is: MARK YOUR CALENDARS that the Regal Land & Cattle Company's Annual Production Sale has been postponed from April 15th to May 6. This is due to this horrendous winter — and Mike Condit advises that he cannot get his cattle in the good shape that would be fair to you, his customers, so for this reason he will just put it off for a little while. If we have the date definitely set before this goes to press I'll add it at the bottom of this — otherwise, just check this and other publications within the next few weeks for the date.

The Indian Nations Brangus Breeders held their first annual "High Plains Bull Sale" at Newkirk, Oklahoma last week-end — and the temperature was 8 degrees, but the sun was shining, the roads were clear and the 21 buyers from Oklahoma, Kansas and Texas who purchased Brangus bulls were most enthusiastic. Complete Sale Report elsewhere in this issue. The average was \$785.00 on 62 bulls and for the very first time in this area all concerned with Brangus — the bull sales even in times of stress are always far above average. For instance, in the recent past ten Brangus bulls consigned by Cam Blincoe's Maywood Farms of Bartonsville, Ky., topped the Dixie Range Bull Sale in Montgomery with a \$1,069.00 average, more than \$400 above the next breed. Both the top

selling and second top of the sale were Brangus, \$1400.00 and \$1200.00. A good set of Brangus bulls topped a Red Bluff Bull Sale in Red Bluff, California with an average of \$1000.00 on 14 head, which was \$201.00 above the average of the next breed. We don't have the figures as yet, but we know from what breeders have told us that the Brangus bulls topped the Show All Breeds Bull Sale at the El Paso Stock Show All Breeds Bull Sale. So just in this past month you can see that Coast to Coast, and right smack in the middle, Brangus are doing it for their owners!

There is a news item in this section concerning the award that Matt & I annually give to the champion female at the Junior Show in Houston. We could not be there again this year to give it personally — we were in Newkirk at the bull sale — but I asked LeAnne Cawley (by the way, she is personally known to me as LeAnne Skinner), who presented the champion for us, to extend our regrets to the winner for not being there, but we were out trying to make up money to cover the check before we got back to the bank!

Again, see you at Round Top April 8th — and for those of us interested, this is also the weekend of the Washington County Horse Society's Tour of Homes in nearby Brenham — you can attend the Stars on Saturday and stay over in the Tour on Sunday!

"There are a lot of diabetics left who are a diabetic, you should be a diabetic. But you shouldn't put the country on it. The same thing true with these other diseases. Let take the American Heart Association's guidelines, that a cholesterol level of 250 is high. These are the people who should be treated, but not everyone else." David Kritchevsky, Ph.D., The Wistar Institute.

## NEW IMPROVED 'SUPER-TUF' PORTABLE CORRAL PANELS

We've made ours even better — with a new 1-5/8" round-top outer frame!

5 FT. X 10 FT. PANELS

**4950** ZONE 1\*  
**5200** ZONE 2\*  
**5400** ZONE 3\*

TABLE OF CAPACITY	
No. OF PANELS/CAPACITY IN HEAD	
10	40
15	70
20	120

**FREIGHT PREPAID ON 3 OR MORE PANELS**

These sturdy panels can be taken right to your pasture and in less than 15 minutes, 20 of these rugged panels can be set up by two men. A corral this size will handle over 100 head of cattle.

Now the entire outer frame is made of rugged 1-5/8 inch structural steel pipe. All other horizontal rails are made of heavy 1-1/2 inch structural steel pipe. Two vertical braces of strong flat iron are welded to pipe rails at every cross-over point. Stronger than most yet lighter to move.

Every corral panel is fitted with dual pins at one end and double pipe sockets at the other. Makes it easy to set up corral by merely hooking the pins of the second panel into the pipe sockets of the first. Top pin is longer than the bottom one so the panel can be easily lined up and bottom drops right in. Double pipe socket makes it easy to set up in a Y or T shape. The legs extend approximately 10 inches below bottom rail so the corral will stand on rough or uneven ground. Weight approx. 65 lbs.

## 4 Foot x 7 1/2 Foot Corral Panel Gates

This handy corral panel gate can be added between any two of your panels to complete your Corral Panel system. The gate is equipped with positive latch that opens easily and closes automatically. Opens in either direction, fits the latch and swing gate open. Swing it back and latch will catch automatically. Outside frame is made of same 1-5/8 inch structural steel pipe as panel above. The inside gate itself is made of rugged 1-5/8 inch and 1-1/2 inch structural steel pipe. The pin and socket device used for hooking panels together is also used for hooking the gate to the panels. Weight approx. 65 lbs.

# NEWS about LIMOUSIN

## Around The Limo Loop

By KEN HOLLOWAY and BRUCE BROOKS

February 25 proved to be an exciting evening for Limousin enthusiasts in Houston, the site for the annual Texas Limousin Association Sale. A large crowd was on hand to witness 44 lots fall under the gavel of Sonny Booth and Bruce Brooks for an encouraging average of \$2501. The Texas Limousin Association displayed an outstanding offering of cattle both purebred and percentage and the active bidding and \$110,055 total was proof positive!

Looking ahead into "spring" . . . we hope . . . several exciting Limousin events are upcoming. April 7 and 8, Wiggins Ranch Co. is marking a "first" in the Limousin breed and we certainly encourage you to mark those two days on your calendar for the WRC "Two-Day Limo-Sale" to be held at the Coyote Hills Ranch Division, Chattanooga, Okla. April 7, WRC will offer 87 bulls for your appraisal, 88 purebred bulls and 49 7/8% and 87% Limousin bulls. Buyers choice will be offered on 2 outstanding Gendarme fullblood sons as well as choice on 2 Enterprise full blood sons. The evening of April 7, WRC will be your host at their "After-Before" Sale Party. April 8, 145 females will sell. Twenty-eight full bloods and 117 percentage females, many with calves at side. Again buyers choice will be offered on two tremendous fullblood cows, Hacienda dam of the \$55,000 Gibraltar and Etoude-dam of the Rousseau. . . What an opportunity! Another first for this exciting WRC weekend is the Junior Incentive Program. Many of the calves at side of their dams will be split and sold separately, making them excellent club calf prospects. Darrell Wiggins is initiating a program designed to compensate any young junior who buys a calf, steer or heifer, in the sale and shows it to a win in a show from the county level to the national level. For further details on this program or

The Canadian-United States border is 3,589 miles in length, not counting Alaska.

## Limousin Performance Tested Bulls To Sell April 15 At Abilene

Abilene — The top 10 bulls in the Texas Limousin Association's current gain test at Abilene Christian University's Allen Farm near here had a gain range from 4.02 to 4.78 pounds per day through the first 84 days of the test. This test will be climaxed by a

(CONT. ON PAGE 27)

## WRC LIMOUSIN BULLS SELL APRIL 7 — 1:00 P.M.

Coyote Hills Ranch  
Chattanooga, Okla.

88 BULLS  
WILL SELL . . .

WRC bulls selling range from 100% to 75%, including 8 black percentage bulls.

The fullblood offering will include approximately 20 young herd sire prospects, bred by the most popular sires in the breed today. Approximately 88 percentage bulls will sell. These young bulls have been developed on the winter wheat pastures in Southwestern Oklahoma — they are stout, rugged and ready to work for you.

# SANTA GERTRUDIS NEWS

## The Santa Circuit

By BUDDY SMITH

The Santa Gertrudis activities in Houston were a big success this year. Breeders from all over the United States and Latin America showed up for the Annual Meeting and the "How To Sessions."

287 head of show cattle paraded in front of a full grandstand and the watchful eye of Judge Hank Grant.

Kelly Vesper of Cotulla, Texas exhibited the Grand Champion cow #114. Chaparroa Ranch of La Pryor, Texas exhibited the Grand Champion bull #5/60, "Fico Jr." This made the eighth grand championship for this Chaparroa bull. This eight time grand championship is shared with two May Ranch bulls, #288/5 and "Apache 42." There might be other

## Mayfair Ranch Sets Bluebonnet F1 Sale At Brenham, Apr. 22

Brenham, Texas — The Mayfair Ranch 2nd Annual Bluebonnet F-1 Production Sale will be held Saturday, April 22, 1978. Sale time is 12:30 p.m. at the Brenham Livestock Commission Co. at Brenham, Texas.

Selling will be 450 females, calf-hood vaccinated, and selling in groups. The offering includes 100 Brahman x Herefords, ready to breed, 90 Santa Gertrudis x B x HF1 Cows, 4 years old and bred to Santa Gertrudis bulls, and 250 Santa Gertrudis x B x HF1, ready to breed. This group is eligible for grading up program in Santa Gertrudis International. All heifers are dehorned. Cattle may be seen at the ranch at any time.

Mayfair Ranch has maintained a herd of top Santa Gertrudis cattle for many years, and is a top producer of F1 cattle.

Owner is George Butler. For information contact Jim Theeck, (CONT. ON PAGE 16)

## Los Amigos Santa Gertrudis Sale March 31 at Alice

Alice, Texas — John Martin Ranches, Alice, and Los Jaboncillos Ranch, Premont, will host their Los Amigos Santa Gertrudis Sale March 31 beginning at 1 p.m. in the South Texas Auction Company on Highway 281 south of Alice.

Selling will be 100 bulls and females including some of the best animals from the two herds. Each herd will contribute 10 bulls, 20 open heifers and 20 bred heifers to the sale offering.

Gerald Bowie, West Point, Ga., will be the auctioneer. Everyone is invited to visit the two ranches and see the sale cattle prior to the sale.

The John Martin Ranches are a charter member of Santa Gertrudis Breeders International, herd No. 4; and Los Jaboncillos Ranch is charter member of SGBI No. 196.

Further information is available (CONT. ON PAGE 16)

Jim Theeck, manager of Mayfair Ranch, Brenham, addressed the Santa Gertrudis Breeders International "How-To Workshop" Feb. 23 at the Astroworld Hotel during the Houston Livestock Show.

Dick Vesper, left, owner of Vesper Ranch, Cotulla, exhibited the grand champion Santa Gertrudis female at the Houston Livestock Show, and Doyle May, Beeville, watch the judging.

## SGBI Annual Meeting Reported, Officers Re-Elected

Houston — Santa Gertrudis Breeders International held its 27th Annual Meeting on Feb. 24 at the Astroworld Hotel in Houston, Texas.

With a high representation of breeders from 15 different states, Guatemala, and Mexico, the meeting was termed a success.

Four new members were added to the SGBI Board of Directors. They include: Carl Schuster of San Juan, Texas who replaced his late brother Frank (CONT. ON PAGE 16)

## Santa Gertrudis Days In Tulsa With School, Sale, Set May 11-12

Tulsa, Okla. — Two big Santa Gertrudis Days are set for May 11-12 at the Tulsa Cow Palace in Tulsa, Oklahoma. On the agenda for Thursday, May 11 will be the College of Santa Gertrudis Knowledge featuring information on beef production, merchandising and the future of Santa Gertrudis.

The Santa Gertrudis "Opportunity Sale" is set for Friday, May 12. The Santa Gertrudis Cattle in this sale comes from Co- (CONT. ON PAGE 16)

## SGBI Judging Conference Set For March 20

Kingsville — A Santa Gertrudis Judging Conference is planned for March 20 in Mercedes, Texas.

Starting at 8 a.m., the Santa Gertrudis Breeders International's Breed Improvement Committee will select animals to demonstrate the breed's characteristics. Topics that will be discussed include masculinity, femininity, size for age, structural soundness, breed character, and ring procedure.

Following this discussion, classes containing four animals each will be displayed in normal ring procedure. All current and prospective Santa Gertrudis judges will be required to judge the classes. Their placings will be done by secret ballot. At the end of the conference, scores will be totaled and the participants will be notified of acceptance or rejection to the SGBI Approved Judges List for 1978-79.

All previously approved judges, in addition to prospective judges, interested breeders, and all county agents and vocational agriculture teachers are urged to attend. The conference is designed with two objectives: 1. A learning experience for attending breeders. 2. A time for approving judges to judge the SGBI Approved Santa Gertrudis Shows.

## Dan Talbot, Jr. Named SGBI Field Director

MRS. D. G. TALBOT, SR. AND DANIEL G. TALBOT, JR. Daniel G. Talbot, Jr., of Aledo, has been named as a field director for the Santa Gertrudis Breeders International, following a recent meeting of the Breed Improvement Committee of SGBI.

Talbot has a degree from the University of Texas and is a graduate of the Texas Christian University Ranch Management Program.

A member of a pioneering ranching family, Talbot grew up in the registered and commercial cattle business. Prior to his employment with SGBI, he managed the family ranch near Aledo. He is single and will operate out of the Kingsville office of SGBI.

## Polled Santa Gertrudis Avg. \$2524 In Houston

Houston — The Third Annual All-Polled Santa Gertrudis sale at the Houston Livestock Show Feb. 25 saw five bulls sell for an average of \$4,420 and 18 female lots for an average of \$1994. The 23 lots averaged \$2524. The sale was managed by Buddy Smith's Superior Sales, Huntsville, Texas, and headed by Gerald Bowie, West Point, Ga.

The sale concluded four days of Santa Gertrudis activities at the Houston show including committee meetings, annual membership meeting, election of (CONT. ON PAGE 27)

## SEMEN BANK PROGRAM

SANTA GERTRUDIS BREEDERS INTERNATIONAL  
P. O. Box 1257, Kingsville, Texas 78363

Objective: Make available to colleges, universities, and state and federal research installations (within the realm of SGBI, both domestic and foreign), top quality semen from outstanding progeny proven sires, to be used as a promotional tool for the entire breed.

Donation Procedure: A breeder will notify SGBI of his desire to donate semen. A date will be set for the visual inspection of the bull and his progeny, then the breeder will be notified by mail of his acceptance or rejection. Should the bull be accepted by inspection, the donor will then send no less than 200 units of semen (ampules or straws) to an approved A.I. laboratory for complete semen tests. Should the semen pass the minimum requirements, acceptance of the bull is final. Should the semen not pass minimum requirements, the semen will be returned to the breeder.

Should a question arise as to the quality of the semen, then it would be left up to the discretion of the Semen Bank Committee to authorize tests by another certified laboratory. Copies of all correspondence between the donor and the semen laboratory will be made available to SGBI.

Qualifications of Sires Nominated: 1. The quality of sires accepted in the Semen Bank must fall in the "Desirable" category of the Standard of Excellence. Each individual bull must be inspected by a member of the (CONT. ON PAGE 18)

Ed Stanfield, La Pryor, moderated the panel on "Challenges of Marketing Efficiency of Merchandising" at the SGBI "How-To Workshop" in Houston Feb. 22.

### SGBI Annual Meeting Reported, Officers Re-Elected

(CONT. FROM PAGE 14)

Winthrop P. Rockefeller of Little Rock, Douglas Fain of Dallas, and Stephen J. Kleberg of Kingsville.

SGBI President Vernon S. Smith, Vice President Robert R. Shelton, Treasurer J. Charles Gray, and Secretary John Martin were re-elected to their posts as SGBI officers.

The Weight Per Day of Age trophy, which is awarded to the animal gaining the highest amount of weight per day, was awarded by Dan Wendi to Jim Theeek, Manager of the Mayfair Ranch in Brenham, Texas. The winning bull gained an average of 8.62 lbs. per day.

Honorary memberships were presented to R. P. Marshall and John Armstrong of Kingsville; Mrs. R. W. Briggs of San Antonio, and Tobin Armstrong of Armstrong.

In conjunction with the meeting, SGBI also held a luncheon featuring The Honorable Reagan V. Brown, Texas Commissioner of Agriculture as the keynote speaker. Commissioner

John Martin, left, owner of the John Martin Ranches, Alice, and Ed Stanfield, general manager of Chaparrrosa Ranches, La Pryor, watching the Santa Gertrudis judging at the Houston Livestock Show.

Brown's remarks were well received and included the areas of cattle imports and exports and the overall beef industry as related to worldwide food production.

He cited that, "The Cattle cycle has bottomed out and it looks like clear sailing ahead," saying that there has been an 11% increase in the number of cattle and calves on feed in Texas, cattle placements into feed lots have risen 84% over a year ago, and fat cattle marketed during January were 19% above the 1977 level.

Then, Commissioner Brown enthusiastically commented, "Now, if we can get the federal government to just leave us alone, we'll probably be all right." He believes that communication is the key to understanding, and understanding is the first step necessary to support. "We need the support of every food buyer in this nation," he emphasized, "if we are to change the things that need changing."

Commissioner Brown then reiterated that it is groups such as SGBI that help the agricultural and livestock industry reach its goals. "You must continually

### Shawn Smith's Heifer Champ Junior Santa Gertrudis At Houston

Shawn Smith, 10, son of Mr. and Mrs. Buddy Smith and a 4-H'er from Huntsville, continued his winning ways this year by capturing grand championship of the Junior Santa Gertrudis breeding beef heifer show at the 46th annual Houston Livestock Show. Shawn's

### Santa Gertrudis Super Sale Avg. \$2657 in Houston

Houston - The Mid-Coast Santa Gertrudis Association Super Sale was what the name implies. Super cattle, selling at top prices. There were not any exorbitant prices, but instead, a strong demand with uniform prices being paid throughout the sale.

Forty head of highly selected halter cattle averaged \$2,657. Nine bulls averaged \$2,644. The high selling bull was a son of "Senior Pico" #8065. He was consigned by Chaparrrosa Ranch of La Pryor, Tx., and sold to Turcott Ranches of Barilla, Tx. on a bid of \$5,400. Second high selling bull, \$10, was consigned by S. C. Schwoppe Ranches of Cotulla, Tx. He sold to San Jose Cattle Company of Pleasanton, Tx. for \$5,000. Thirty-one females sold for an average of \$4,583. High selling pair \$71, was consigned by Chaparrrosa Ranches and sold to Sam Madison of Willford, Ark. for \$8,100. She is a line bred "Masterpiece" 511 cow that sold with a "Senior Pico" bred bull calf and was bred back the same way.

The cattle sold to an active crowd of approximately 800 people. Successful buyers were from: Alabama, Arkansas, Florida, Georgia, Oklahoma, Tennessee, and Texas. Volume buyer was James Brumit of Conroe, Texas.

Auctioneer for the sale was Gerald Bowles of West Point, Ga. Sale manager was Superior Sales of Huntsville, Texas.

Promote your product... You must continually educate the consumer about your product... and you must continue to protect your interest.

Also, in conjunction with the annual meeting, SGBI held several committee meetings and a Board of Directors meeting on Feb. 22. All in all, SGBI feels its annual meeting was a success and the future looks bright for the Santa Gertrudis cattle market.

The Texas Parks and Wildlife Department will stock Texas with 11 million fish during 1978. Several different species of fish will be involved in this stocking program.

1550-pound junior yearling has previously been grand champion in Springfield, Mo., at Brenham, and reserve champion in Dallas.

Jimmy Fox, a student at Crane High School in Crane, Texas, showed the 1300-pound reserve champion, 17-month-old "Little Buc," which had been reserve champion in San Antonio.

In the Santa Gertrudis steer show, Jerry Hughes, son of Mr. and Mrs. Joe D. Hughes, Elgin, took grand championships with his 988-pound "Jethro," a steer bred by Buddy Eckardson, Wade Love, 17, son of Mr. and Mrs. Charles Love, Baytown, won reserve championship with "Red," a 17-month-old 1040-pounder bred by Clifford Wilson.

Super class placings: heavy, 1. Los Broyles, San Sabá; 2. Lori Laifaste, Mason; 3. Lee Owens, Star, Medium 1. Jerry Hughes, Elgin; 2. Wade Love, Baytown; 3. Mitchell Maner, Fredericksburg. Light: 1. Lana Fox; 2. Sherry Elstad, Clifton; 3. Stuart Lowery, Houston.

Halter classes: places in order: Mont; Joe Bob Powell, Alice; Clay Theeek, Brenham; Jeff Colwell, Lexington; Rodney Dietrich, Brenham. Late senior calf, C. Athens; Kenneth Pool Jr., Taylor. Early senior calf: Jimmy Fox, Crane. Ralph Hoff, Cotulla; Stephen C. Seury, Late summer yearling: Max Kingville; Randy Hastings, Woodville. Early summer yearling: Kelly Pugh, Cotulla; Debbie Lane, Waco; Janice, McKinney, Late junior yearling: Dallas Schares, Sherman; Joel Nease, Nevada; Morris D. Salgo, Matilda, Bovei, Crystal City; Shawn Smith, Seury. Late senior yearling: Chris Tabor, der, Hallsville; Steve Schell, Alice; Doug Hall, Houston.

Marjorie Huff, Alice, left, and Mr. and Mrs. Doyle May, owners of May Sleeping D Ranch, Beeville, are shown conversing prior to start of the Mid-Coast Santa Gertrudis Super Sale at the Houston Stockshow.

The Santa Circuit (CONT. FROM PAGE 14)

bulls with eight championships to their credit, but I am not familiar with them.

Mayfair Ranch exhibited the reserve grand champion bull, T-51. After the judging, "T-Bone" put on a show for the crowd while waiting to have his picture made. He paraded his 2,875 lb. self around the arena with several kids on his back. Later, we found out that his first picture did not turn out, so we brought him back the next day during the Hereford judging to retake the pictures.

Temptation was too great so we put the kids on his back again. It was a real sight to see a bull of this size towering over the Hereford cattle

with kids on his back while the Hereford breeders gazed in amazement. Chalk another one up for the Santas!

The Mid-Coast Santa Gertrudis Association Super Sale in Houston was exactly what the name implies. Super cattle selling at top prices.

Forty head of highly selected halter cattle averaged \$2,657.00. The high selling bull was son of "Senior Pico" #8065, consigned by Chaparrrosa Ranch of La Pryor, Texas. He sold to Turcott Ranches of Barilla, Texas on a bid of \$5,400.00. Second high selling bull, \$10, was consigned by S. C. Schwoppe Ranches of Cotulla, Texas. He sold to San Jose Cattle Co. of Pleasanton, Texas for \$5,000.00. Thirty-one females sold for an average of \$4,583.00. High selling pair, 5/71, was consigned by Chaparrrosa Ranches and sold to Sam Madison of Willford, Ark. for \$8,100.00. She is a line bred "Masterpiece 511" cow that sold with a "Senior Pico" bred bull calf and was bred back the same way.

The cattle sold to an active crowd of approximately 800 people. Successful buyers were from Alabama, Arkansas, Florida, Georgia, Oklahoma, Tennessee, and Texas. Volume buyer was James Brumit of Conroe, Texas. Auctioneer for the sale was Gerald Bowles of West Point, Ga. Sale manager was Superior Sales of Huntsville, Texas.

The 1978 All-Polled Sale in Houston was a high-quality, successful sale. Twenty-three head grossed

\$58,050.00, with eighteen females averaging \$1,997.00. Cattle went to Georgia, Missouri, Oklahoma, Tennessee, and Texas. High selling bull was consigned by C. E. Massey, Kennedy, Texas, and went to Doyle May, Beeville, TX, for \$5,800.00. High selling pair was consigned by Cherokee Ranch, Sodalia, Colorado, Texas, for \$5,900.00. Top selling female consigned by Yturria Ranch, Brownsville, Texas, went to Brannford Hills Farms, Bethpage, Tenn. Auctioneer for the sale was Gerald Bowles of West Point, Ga. Sale manager was Superior Sales of Huntsville, TX.

The Mid-Coast Santa Gertrudis Association donated belt buckles to the winners of each class at the Houston Junior Show. You talk about some proud little fellows. They could not wait to get out of the show arena to put them on their belts. The judge for the 200 junior heifers entered was R. P. Marshall.

If you have not gotten involved in junior activities in your area, then you are missing a lot. To see the enthusiasm, effort, and family involvement of these junior members shows us just what potential we have in promoting the breed through our youth.

One of the highlights of the junior week was the party given for the junior Santa Gertrudis exhibitors by the Mid-Coast Santa Gertrudis Association. Red Novak lined up the

entertainment, and R. P. Marshall handled the refreshments. Some 500 kids really had a ball.

Bahinsko's "Starlett" won her 12th grand championship at Baton Rouge, Louisiana. She was featured in the "dis Journal" so I want to elaborate on her a bit. One point I want to make is that you can still breed for size and quality and maintain fertility and functional efficiency.

Promote your product... You must continually educate the consumer about your product... and you must continue to protect your interest.

Also, in conjunction with the annual meeting, SGBI held several committee meetings and a Board of Directors meeting on Feb. 22. All in all, SGBI feels its annual meeting was a success and the future looks bright for the Santa Gertrudis cattle market.

The Texas Parks and Wildlife Department will stock Texas with 11 million fish during 1978. Several different species of fish will be involved in this stocking program.

## The Winrock combination of quality

The spirit of quality prevails throughout every phase of Winrock Farms. For a quarter century we've expanded our cattle and crop operations, continually searching for new and better ways to improve the quality of our products.

Our cattle operation is known throughout the world. Our crop and seed division is second to none. And with the recent acquisition of Carlisle Implement Company, recognized by International Harvester as one of its leading dealers in America, we now have expanded this program of Winrock quality to still another facet.

Through research, hard work and innovation we've built a name for ourselves in every phase of the agricultural industry. We believe that as long as we settle for nothing less than the best, the spirit of quality will continue to be a way of life at Winrock.

## SEMEN BANK

(CONT. FROM PAGE 15)

Semen Bank Committee and the Executive Field Director. No committee member will inspect bulls in which he is the employee of the ranch or part owner in. If any questions or exceptions should arise, the breeder can request further review by the committee.

2. Offspring from the sire in question will also be presented for inspection at the same time. The progeny are required to be of excellent quality.

3. In the case of a sire that is dead but a substantial amount of semen is available, then only his offspring will be inspected in regard to acceptance of the bull. Inspection of the sire's progeny will be achieved by the Executive Field Director and a Semen Bank Committee Member or Members if possible. The acceptance of such a bull will require a complete review of all the circumstances and an

unanimous vote of approval from the Semen Bank Committee. Performance Records: Records on the sire in question, as well as all progeny records, must be made available at the time of inspection. Also, the breeder should provide copies of all performance records for reference purposes.

Semen Requirements: As the semen is to be utilized by educational institutions and research installations and will be scrutinized as a good representation of this breed, every precaution will be made to insure top quality semen from superior sires in the breed.

All semen will be stored at an approved A.I. Laboratory where it will be their job to evaluate all semen. Procedures Followed and Use of Semen: The semen will be used in a rotation method. The first donor's semen will be used at the first institution requesting semen, second to second, and so on. This procedure is to be followed to insure equal representation of all donated semen.

## THE TUMBLEBUG

Patent No. 3,938,682

### TO LOAD:

1 Simply back up to bale (Photo 1), apply brakes to bale carrier;

2 Continue backing until loading arm falls over bale, (Photo 2)

3 Then pull away, loading bale as you go (Photo 3)

### TO UNLOAD:

4 Reverse Above procedure, stopping as bale rolls off carrier (Photo 4)

No Special Hookup needed other than Push-pull switch installed to activate brakes (Photo 5). May be used either on pickup or on tractor too small to handle bales on lift.

### ROUND BALE FEEDER

## CUSTOM METAL WORKS

BOX 182-CANTON, TX 76103-E HWY 84  
214/567-2881

The only exception to this rule would be a program requiring semen from the same bull for data purposes over a period of several years. This bull would not be selected for that purpose, he would be the first bull in line with adequate amounts of semen available to fill the program's request. Procedures in Receiving Requests for Semen: SGBI will notify institutions of the Semen Bank Program. Upon request for semen, the institution will be notified to submit a complete program outline listing program objectives, number of cattle, dates, other breeds involved in the program, facilities, technicians that will handle the semen, as well as all data verifying a fair and unbiased program - to insure accurate data accumulation. All data will be made available to SGBI with no restrictions on submitting that data for publication. The administrative staff of SGBI would pass judgment on the program outlined and authorized donation of semen. This program will then be presented before the Semen Bank Committee for their information and review. Field Directors will make periodic visits to all institutions and record their findings in their monthly reports. SGBI reserves the right to review the program at any time. In this regard, should unfavorable results be obtained with the semen, SGBI reserves the right to return the semen to the donor.

Finances: SGBI will pay for all semen storage and tests. Institutions will pay total charges for all semen shipments.

Registration of Purebred Offspring: A.I. breeding certificates will be issued at no charge to institutions requesting to register calves from a particular sire. Certificates will be issued after a live calf is produced and will not count as part of the allotment of 100 certificates per year per sire. Registration and classification fees will be charged to the institutions at the present rate.

### Farm Bureau OK's Talmadge-Dole Bill

(CONT. FROM PAGE 1)

from production not less than 81 million acres of cropland and otherwise would be harvested or planted in wheat, corn, grain, sorghum, barley, cotton, and soybeans.

The bill does not increase target prices or loan levels, but provides diversion payments to take 16 million acres out of wheat, 10 million acres out of feed grains, 8 million acres out of cotton, and 8 million acres out of soybeans, in addition to the existing set-aside requirements.

Key features of the Talmadge-Dole Bill are:  
(1) The program would be voluntary. Each farmer would be free to participate or not to participate.  
(2) The 81 million acres to be set aside would be in addition to the land that would be set aside under the program already announced for wheat and feed grains. In order to qualify for payments under this program, a farmer would have to participate in the set-aside program the Secretary has already announced.

(3) To prevent the benefits of the program going only to landowners, the Secretary would have to promulgate regulations that provide adequate safeguards to protect the interests of tenants and sharecroppers.

(4) The payment limitation provisions of the Food and Agriculture Act of 1977 would not be applicable to payments under this program.  
(5) The acreage specified in the bill would only be a minimum. The Secretary could require that more land be set aside to achieve reasonable price objectives.

(6) The Secretary would be required to administer the program in such a manner as to avoid the destruction of crops already planted to the extent possible.  
(7) The Secretary would be required to limit the total acreage in any county or local community so as not to adversely affect the local economy.

(8) The amount that would be paid to individual producers would be determined through the submission of bids. However, it is estimated that the total average of payments to producers would be about \$75 an acre.  
(9) The Secretary would be required to make advance payments under the program immediately after contracts with the producers are consummated.

## Texas Polled Hereford NEWS

Now is the time for all Polled Hereford breeders to start packing and heading for the border. The Texas Polled Hereford Association State Show at Laredo, Texas gets underway March 22 thru March 28. Headquarters will be the La Posada Motor Inn, 512/722-1701. With the Texas Polled Hereford Association General Membership Meeting set for 2:00 p.m. March 24. Cattle will be in Laredo from March 22-28.

The Texas Polled Hereford Luncheon and trip across the border is set for March 24 and a party is set that night. Polled Hereford judging will begin at 9:00 a.m. March 25. Don't Miss the TPHA State Show.

Don't forget the deadline for having copy into the TPHA office for the Polled Hereford Directory is April 1, 1978.

Polled Hereford sales scheduled for this spring will be the Michaelis Dispersal at Wingate, May 1; Tufts Polled Hereford Production Sale at Hillsboro, May 6; and the Dulick-Meridian Creek Production Sale at Morgan, May 27.

The deadline for entries in the Miss Texas Polled Hereford Contest is May 15, 1978. For entry forms, rules and information contact Mrs. Joe Don (Bet) Weeden, Rt. 5, Box 118, Brownwood, Texas 76801, 915/784-5505, or Mrs. Jack (Loose) Rowland, R & H Ranch, Morgan, Texas 78971. Applications for the two Texas Polled Hereford scholarships are due by April 15, 1978. For applications and rules contact Mrs. Charlie (Jeanne) Abbey, Rt. 1, Coleman, Texas 76834, 915/625-2172 weekdays or, 915/625-4690 evenings and weekends.

Congratulations to Susie Humble of Sterling City who showed the Grand Champion Steer at the San Antonio Polled Hereford Show, and to Talana Jackson of Walnut Springs for showing the Reserve Grand Champion.

The South Texas Polled Hereford Association Sale averaged \$711 on 58 lots with 39 bulls averaging \$728 and 16 females averaging \$688. Reflecting the increase in the demand for good cattle, the sale average was up over \$100 over last year. Grand Champion single bull came from Boss Polled Herefords at Christoval, and Grand

Harry Dulick, left, of Morgan, is being congratulated on having the top indexing sire bull in the 1978 Texas Polled Hereford Assn. Sire Evaluation Test at Howard Payne University in Brownwood. Presenting him with a \$180 award are, from left, Jim Upfield, Meridian, president of TPHA, Charlie Branton, Canton, TPHA director and bull test committee chairman, and Howard Davis, Brownwood, test supervisor.

Robbie Graves, left, manager of the Chisholm Trail Polled Herefords at Rhame, and David Monnich, owner of Quail Run Ranch, Carrollton, at the TPHA sire evaluation sale in Brownwood Feb. 27.

Champion single female came from Cowhouse Creek Ranch at Hamilton. Top selling bull was consigned by Storm Ranch and purchased for \$1,025 by A. H. Oeding and Son of Dunlap. Top selling female was consigned by Cowhouse Creek Ranch and purchased by Quail Run Ranch for \$1,050.

The TPHA Sire evaluation Sale at Howard Payne College had an average of \$695 on 48 tested bulls with the high indexing bull, Lot 39.

### TPHA Brownwood Sire Sale Has \$695 Average

Brownwood - The Texas Polled Hereford Association's Sire Evaluation Sale at the Howard Payne University test and sale facility of Feb. 27 had an average of \$695 on 48 bulls. Eddie Sims, Lawton, Okla., was auctioneer for the sale managed by the TPHA.

Topping the sale was T&S Victor T879, a Dec. 17, 1976 son of Victor D8F Mesa F266 H69, by Dulick Stock Farm selling for \$2,250 to Herbert Bonke of Lorena. G Tufts and Sons had the second high indexing bull in T&S Victor T879, that sold for \$2,350 to George Brockman of Sonora. The top 10 bulls averaged \$1,005.

Quality was good in the 68 head of Polled Hereford at the Houston Show with Honky B Ranch winning the premier exhibitor honors. Grand Champion bull was TFM Truitt Anx owned by Hoopes & Balesine of Bluff City, Kansas. Grand Champion female was GMI MS Advancer 642H owned by Glenview Farms of Farmington, Ill. See you in Laredo March 22-28 for the TPHA State Show!

Sheila Bruce In National Polled Hereford Queen

Seventeen-year-old Sheila Bruce, Lawrenceburg, Ky., was crowned National Polled Hereford Queen in ceremonies held in Fort Worth, Texas, Feb. 1, during the 55th National Polled Hereford Convention, Show and Sale.

## Dulick, Meridian Creek Polled Hereford Sale May 27, Morgan

(CONT. FROM PAGE 19)

Selling will be 60 lots including 20 cow-calf pairs, 25 bred heifers and 15 open heifers. The sale features the get and service of: LS Beau Victor 4 14, Gold Seal Sire; OR Roundup R218 F286; Clayton Numode 576 and OG Domestic Anx 8084, plus females safe in calf to OR Dom 549 and T&S Victor T445. This is the first time that the

Competition in this fourth annual queen contest saw 24 state Polled Hereford queens in the running for the national crown. The winner serves as a goodwill ambassador for Polled Herefords across the U.S. Sheila's involvement with Polled Herefords includes junior membership in the American Polled Hereford Association and judging contest activities. Also a member of the Kentucky Junior Polled Hereford Association, she takes an active part in working with her family's Polled Herefords at Bruce Farms.

top females from these two herds have ever been offered for sale. Further information is available from Dulick Stock Farm, Morgan, Texas 78871, phone 817/686-2486; or Meridian Creek Ranch, Route 2, Meridian, Texas 76865, phone 817/744-2197. Presale activities include coffee Mrs. Jim Upfield, 817/747-2197.

## Mark Mann Shows Champion Polled Hereford Steer

Mark Mann of Claremont showed "Pigman," a 1089 pound 30-month-old to the Polled Hereford steer championship at the Houston Livestock Show, Mark, 17, son of Mr. and Mrs. Jiggs Mann showed the reserve grand champion to the Polled Hereford Steer Show at Houston last year.

Robert Willis, 16, of Lampasas, showed "Whitey," a 17-month-old 1128 pound steer to reserve champion. Mann's steer was a product of Trenfield Polled Hereford Ranch, Follett, and Willis' steer was bred by the Honky B Ranch at Burnet.

Fam Greves, 11, of Coleman, showed "Pigman," a 17-month-old 1128 pound steer to reserve champion. Willis' steer was a product of Trenfield Polled Hereford Ranch, Follett, and Willis' steer was bred by the Honky B Ranch at Burnet.

The person who coined the phrase "cheap politician" didn't get a good look at the national debt.

## Stuph & Thangs

(CONT. FROM PAGE 1)

for a big part of their medical costs and if inflation keeps going, by the end of the '80s they could well be worse off than they were under the old contract.

One of the things that has intrigued people with money to invest for many years are those deals we smilingly refer to as Tax Shelters. The idea being to invest in something that would defer tax payments or enable the investor to save money and thus make money by reducing the Tax Collector's Bite.

The fact that Americans have become increasingly illiterate to the steady rise in taxes was not appreciated by Congress or the White House until this past year when the Social Security Tax Bite was raised to new highs and with bigger bites due in the immediate future. A lot of people never really got concerned over the Energy Crisis, until President Carter gave 'em a peek at what he had in mind in the way of taxes on oil & gas. This was simple enough for anybody to understand and folks could see that instead of getting better the Tax Bite was heading in the direction of getting worse by leaps & bounds.

The average worker's man or woman ain't got enough money to try to take advantage of tax free investments or tax shelters, but when Congress and Carter took dead aim at their weekly pay checks, the situation was abundantly clear. The Government was already eating our lunch, and had plans to eat our supper, too!

A few years ago a fellow came in our office with a plan to organize the Tax Payers and start a move to refuse to tell IRS how much money we were making. He claimed that having to give this information and swear it was true & correct was a violation of the Fifth Amendment and forced us to testify against our own souls. It has been a popular conversation piece for years to talk about a Tax Payers Strike or Revolt. Now it is starting to look like something of the kind may be on the way to becoming a Reality.

In the case of the Strike or Revolt may turn out to be the simple process of turning the Rascals out of office in the coming elections. And, don't think this idea ain't percolated through the minds of a lot of politicians.

Ever think of the Reddick P.G. Uncle Dunk figures the way things are being worked out for the Country Administration in both houses of Congress, he wouldn't be surprised to see how a strike or revolt at the White House, may anything.

March 16, 1978 WEEKLY LIVESTOCK REPORTER Page 20

Dunk says it sure looks like Miss Carol Tucker Foreman's ramrodding of her pet ideas at USDA are startin' to bear fruit. Recently National Cattlemen's Assn. President McDougal asked whether folks should believe President Carter's statement backin' a free market in Agriculture, or should we believe USDA policy as outlined by Miss Foreman in which she indicated full Govt planning of the Nation's agriculture & food system from nutrition to ag policy was Govt's Game Plan? Dunk says letter from Sen Herman Talmadge, Miss Foreman's concern her claim "steals from ground bones" instead of "boned meat" as it has been for decades, is a perfect example how a Southern Gentleman can be politically, but firmly! See story above on this page. — Thassell, Dallas

## Kimbell MEDICATED FEEDS ARE MONEY MAKERS

It goes without saying that no program or type of feed can guarantee a profit on a particular set of livestock. However, it is possible to guarantee that with proper management a feeding program will make livestock more valuable — better money makers.

## KIMBELL Medicated Feeds Are Designed to Improve Animal Health and Balance Nutrition

This type of program improves the appearance, gives livestock the "good doing" look — this convinces your buyers they are "worth more."

This type of program actually makes your livestock "do better" — adds of disease and parasites adds pounds — they are "worth more."

Get complete information on

## Kimbell MEDICATED FEEDS... THE MONEY MAKERS

### Kimbell 37% RANGE BLOCKS (Medicated)

give needed supplementation to make gains and hold them. Positive control of horn flies and internal parasites.

### Kimbell 20% RANGE BLOCK (Medicated)

prevents anemias, also aiding in prevention of bacterial pneumonia and shipping fever (hemorrhagic septicemia) and reduces loss due to respiratory infections (shipping fever complex), aids prevention of fat and bacterial diarrhea. Contains Aureomycin.

### Kimbell 32% (equivalent) Cattle Supplement

(Medicated) A better Pre-Conditioning supplement, aids in maintaining weight gains in the presence of respiratory disease, such as shipping fever. Contains Aureo® 5700.

### Kimbell Pasture Supplement (Medicated)

in 50% to 80% levels, to fit pasture conditions, will keep them in the shape for breeding or selling. Positive control of horn flies and bacterial parasites.

**FOR SALE**  
A SMALL HERD OF QUALITY  
SIMMENTAL CATTLE. This is a  
young herd composed of 15 3/4 and  
5 pure bred females. These cattle  
are bred to have Brahman  
calves. One has a five-month heifer  
at side out of one of the most  
famous Red Brahman Bulls, Clifford  
Bros. 941. Also there is some  
semen from this bull that goes  
with the deal. Most of these cows  
are ready to start calving  
in March. They are priced to  
sell. Contact: GENE DABBY in
